

Bob Schmitt

Bob Schmitt, Waverly, Ohio is the proud owner of this Robust 25" American Beauty with the optional 24" bed extension and Tilt Away. Like Phil Powell above, Bob took a chance when we were just getting started, and he is the second of our now long list of customers. When we asked Bob recently if he wanted to update his photo, he said:

"I still feel that I couldn't have made a better choice than my Robust lathe!"
