

Ken Gately

Ken Gately is one of our growing number of UK customers, mostly the thanks of well know turner and Robust dealer, Phil Irons. Ken writes: *Please find attached a picture of me and my first piece of turning on my new lathe. I am so pleased with it. A few guys from the club have been to see it and all are well impressed. Comments range from "Rolls Royce" to "Green with envy" as well as "well done".*
